Screenshot 01 :

A terminal window with a dark purple background. The title bar shows a window icon and the text 'bleverbd@bleverbd: ~'. The terminal text shows the command 'sudo apt update && upgrade' being executed. It prompts for a password, then lists various package sources and their release status (InRelease). It shows the download of release files and GPG keys for several sources, including nightly.odoo.com and bd.archive.ubuntu.com.

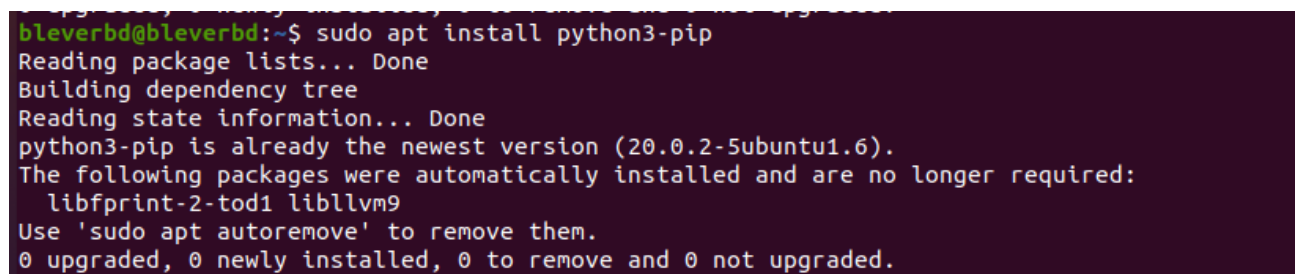

```
bleverbd@bleverbd:~$ sudo apt update && upgrade
[sudo] password for bleverbd:
